

Ethan is an 11-year-old from Milton, who is living with a life-threatening seizure disorder. He is a happy young man who loves everyone. He enjoys when people read him books, playing with toys and spending time with his family. Ethan wishes to go to *Walt Disney World*® Resort, and through your support, his wish will come true!

It will begin when a surprise limousine will arrive at his home to escort Ethan and his family on the first leg of their journey. They will fly to Orlando where they will stay in their own private bungalow at a resort designed just for wish children – Give Kids The World Village. Ethan and his family will enjoy all the amenities the resort has to offer, including heated swimming pools, a movie theater, miniature golf and ice cream for breakfast.

They will discover all the magic of Disney as they explore *Magic Kingdom*®, *Disney's Animal Kingdom*® Park, *Epcot*® and *Disney's Hollywood Studios*™. One of the highlights of Ethan's wish will come when will meet his favorite Disney characters. Ethan and his family will return home with photos, souvenirs and powerful memories, giving them hope, strength and joy.

Thank you for making Ethan's wish come true!
